took their machine over to Hilo on  
the Wilhelmina and returning on the  
same steamer Saturday morning. The  
Hilo Hup made the trip to and from  
the volcano without incident.

The trolley system was demon-  
strated for three-quarters of an hour  
this morning in the east end, through  
the breaking of a trolley wire at Pa-  
wana Junction, and many residents  
of Kaimuki and Palolo had to use  
shanks' mare to get to town.

## ISLANDS MENACED

Some one is responsible for the  
dumping of those poor miserable, dis-  
carded, specimens of humanity, the last  
batch of Filipinos, on these beautiful  
islands, and the excuse—that the  
whole bunch was shuffled en route—  
is worse than childish. Some one has  
done us a great wrong.

There is no doubt that God designed  
these beautiful sparkling diadems of  
the sea to be a real paradise for real  
men. It is hardly necessary to sug-  
gest that a material Paradise must be  
developed.

To real men along these lines a real  
opportunity is yours. See Mr. Renear.  
The opportunity is the Algaroba  
stock food industry; it is for sale at  
1494 Emma street. Tel. 2435.

## SPEIGELMYER'S OPINIONS

HE TALKS ON THE HOLIDAY SPIRIT.

Mein Leiber Adolph: Idt vas more  
as a long time since I wrote to you  
from Honolulu, but der excuses dot  
I could offer would year outd six  
typewriter ribbons, but don't you  
care. You vas lucky to haff me  
write to you efen now, because der  
Christmas present time has been here  
this week and efferbody vas rushing  
around getting some offering for der  
friends and wondering how much  
profit vilt dey make on der presents  
dot vilt come back from der same  
people.

Thanksgiving passed off down here  
without any serious accidents. Of  
course, when efferbody vas tucking  
der napkin under der chin he vas  
thankful for most efferthing he  
could think of, and kept on telling  
about Idt when called on by der head  
of der table, but der day after  
Thanksgiving about a million people  
could no find a thing to be thankful  
for. Of course, I can understand  
how den Pilgrims vas thankful. Und  
dey had another cause to be thank-  
ful, but Idt not know it, and dot vas  
because dey did not haff to pay 45  
cents a pound for turkey.

If you should come down here  
some time in der year vhat Iss cam-  
ing next, before you get inside of  
der harbor you vill hear something  
humming. Don't be afraid, come  
right along mit der steamer. Idt  
iss only der 100,000 Club vhat Iss  
going to do it or get dead. Und  
dey vas going to do it, I bet you.  
But you hear me, Adolph, der first  
thing vhat der 100,000 Club wants  
to do Iss to haff der people vhat runs  
der "Paradise off der Pacific" to come  
out off der trance, to puff up, to  
open der blinds on dot page vhat  
says, "Facts about Honolulu." Der  
information vhat Iss said on der  
front page Iss good for Honolulu  
about ten years ago. It Iss no use  
to get into der facts, but it says as  
to how der Iss 329 licensed automo-  
biles in der city. Sure, but ve don't  
care any thing about licensed auto-  
mobiles. Vhat ve vant der outside  
world to know Iss dot ye haff offer  
600 automobiles right here in der  
city. Und I think der Iss a lot off  
more information on dot page dot  
needs fixing.

Der Federal building site keeps  
coming to der top once in a while.  
I most nearly lost much interest in  
let little controversy. It sort off  
giffs me dot tired feeling. It is a  
case of "Ist" and "Ist not." It very  
much fits to dot song vhat I heard  
a feller sing and entitled, "It Neffer  
Vill Get Vell If You Pick It."

Der Iss only two boards in dis  
place vhat does any work, and dey  
vas der board off supersizers and  
der surf board. Der surf board has  
been rushing all off der year, but  
der under board has shust com-  
menced to rush; Idt Iss sort off com-  
mencement day mit dem. Dey vas  
held back in dere rush off der build-  
ing ordinance by der tellers who are  
pulling down a good salary for see-  
ing how soon dey can get home after  
dey haff had dere lunch, who vas  
looking all around dot building ordi-  
nance to see Ift it leaks. Der Iss  
126 pages in der building ordinance  
and der county attorney's office Iss  
averaging offer a day in der exami-  
nation. "Slow and maybe  
sure" Iss der motto dot vill fit most  
off der public offices of Honolulu.

Der vas a case dot I know off and  
Idt vas a dead horse vhat Idt  
front off a door off a house for three  
days, and dead all off der time. Der  
dead horse vas twenty feet from der  
front door of der house in vch der  
vas a liddle baby three months old.  
Der mother off der baby told der  
health officer off der city about Idt  
and he told her dat he did not haff  
anything to do mit taking der ani-  
mal away. Now vhat do you think

about that, Adolph? When der lady  
vent to der health office on der third  
day to see if something could be  
done to get der dead horse away be-  
fore it made a bad sickness in der  
neighbors vhat could not get by on  
der road, der janitor told der lady  
dot der office force had gone home  
for der day and it vas only ten  
minutes past two. Och, Adolph,  
some off dese fellers ought to get a  
job throwing switches for der air-  
ship; it vould be easier more as  
vhat dey haff got now.

When your taxes are \$4 and ten  
cents one year, and after you han-  
ate up all off der chickens and sold  
der Jap house and den find your  
taxes are \$8 and thirty cents der  
next year, you feel like agreeing mit  
Superintendent Ayieit dot "ve Iss  
being bamboozled" more ways as one.

One time in last July der govern-  
ment asked Hawaii Ift it wanted per-  
mission, dot Iss, you don't want  
beer mit your pretzels, and der peo-  
ple said "no" so hard dot it made  
Mr. Voolley's head buzz around, and  
vould you believe it, Adolph, dot fel-  
ler Iss trying to get his work in at  
Washington some more and try to cut  
off der supply of goat beer. I think  
dot it Iss more better dot he don't  
get any closer den Washington. If  
he should come by Honolulu he had  
better carry mit him a cyclone cellar  
mit a safe deposit door.

Vhile I am talking on dot subject  
about beer I vant to registration a  
kick, but I don't know how as it is  
going to do me any good. Der fel-  
lers vhat dot der heavy figuring has  
figured it out so as dere vas about  
1,310,000 gallons off goat beer con-  
sumed in Hawaii each year, and dot  
Iss about ten gallons for effer man  
woman and child in der Territory. Ift  
dot Iss der case somebody Iss getting  
my share but vhat I am going to do  
about Idt?

Dere Iss some thing else vhat I  
don't know Iss more better to tell you  
about or not, I camed near going to  
Haleiwa to spend my honeymoon—I  
mean honeymoon (dere Iss not much  
difference between der two—one Iss  
composed off small cells and der other  
Iss one big sell). Yeh, Adolph, I  
loved a gal vhat vas der most even-  
tempered gal vhat offer vas, she vas  
always mad about something. Ve vas  
getting real chummy and commenced  
to talk off vhat ve vas going to have  
in der kitchen and in der parlor and  
I vas feeling like a family man effer-  
time I started up to der street where  
she lives but it Iss all off now.  
Adolph, der engagement Iss broken  
and neither off us did it. Von night  
when I vas sitting side by side mit her  
she told me vhat her clothing cost  
and I told her vhat my salary vas and  
den our engagement sort off sagged  
down in der middle and dot Iss all  
dere vas to it. I don't go at her  
house some more.

I expect Iss as to how dere are  
places dot vas vhat dey don't want  
more as a couple off folks. Der vas  
Wallack and Atcherley and Woolley  
and now Mr. Taft Iss going to send a  
negro man here to boss der custom  
house. Our cup Iss pretty near full  
but ve can stand another shake off  
der bitter battle. All ve vant  
Iss der Katzenjammer bids von  
or T. Washington for gov-  
ve vill die happy.

Your friend,  
SPEIGELMYER.

MADE GOVERNOR OF GUAM.

WASHINGTON, December 14.—  
Commander George R. Salsbury was  
today appointed by Secretary Meyer  
Governor of Guam and Commander  
of the naval station there. He has  
been detached from the command of  
the Wm. H. Smith. He will relieve Cap-  
tain Edward J. Dorn.
